## What does it fund??

- Educational programs
- Services to benefit Owners and residents of Suncadia and surrounding areas
- Establishment or funding of interest groups and other volunteer organizations and activities
- Support of applicable educational trust or endowments
- Social programs (e.g. parties, festivals, and similar events)
- Environmental programs (e.g. community-wide recycling, tree planting, or wildlife enhancement)
- Activities designed to promote compliance with community standards through education, communication, and grass roots support
- Cultural, artistic, and wellness programs
- Acquisition, operation and preservation of environmental, historical or community interest sites
- Strategic partnerships among local school or public entities (e.g. library, fire district, hospital district, museum, historical preservation or other community enhancement organizations)

## What is not funded?

- Religious activities or purposes
- Political activities of any kind, including lobbying, ballot measures, campaigns, candidates, recalls, etc.
- Projects that do not specifically serve the Communities. Projects intended to generate revenues for personal gain, private or for-profit businesses or ventures
- Subsidizing or relieving tax burdens or user fees related to activities that are traditionally and properly provided by local governments.
