

Welcome to the neighborhood!

Now that you are owners here in Suncadia, there are lots of ways to connect with other owners and become part of our new community. Whether you are a lot owner, second-home owner, weekender or seasonal resident, or if this is your new primary residence, there are many ways to meet up with other owners who share your interests. Please click on the links below.

**Suncadia Wine and Dinner Club** meets monthly (spring through fall) and holds a lovely Winter Celebration in December. This group is lots of fun and a great/casual way to meet the neighborhood—it's usually "bring a bottle of wine to share and an appetizer or dessert to serve twelve" at alternating owner homes; beer drinkers and nondrinkers welcome. [Suzie Norris](#) at [suzienorris@gmail.com](mailto:suzienorris@gmail.com) manages the list so please reach out to her if you'd like to receive emails about upcoming gatherings.

**Suncadia SkyWatch** is being launched in Suncadia. Two high-powered telescopes have been purchased by the owner-funded Suncadia Fund for Community Enhancement. If you'd like to attend or even volunteer to lead stargazing events, contact [Fred Correnti](#) at [fredjc@frontier.com](mailto:fredjc@frontier.com).

**Suncadia** has several interest groups that all owners are welcome to participate:

- Two **Reading Between the Pines** Book Clubs meet monthly at alternating owner homes, for those who read (and even for those who haven't read the book). Reply to [Debbie Dowd](#) at [debbie@nwdowds.com](mailto:debbie@nwdowds.com) or [Barb Becker](#) at [barbarabecker23@gmail.com](mailto:barbarabecker23@gmail.com) directly to get on the list for upcoming monthly book club meetings and great reads.
- **Community Engagement** is about connecting with our communities. Suncadia homeowners have synched up with the Upper Kittitas Rotary Club Scholarship Program (raised over \$355k for local scholarships in five years). Members of our community are also involved in Life Support, Habitat for Humanity, Chimpanzee Sanctuary Northwest, Cle Elum Community Garden, WA State Horse Park, Fire District 7 and more. If you want to get involved, learn about local initiatives and

ways to build community, contact [klhorner.5@gmail.com](mailto:klhorner.5@gmail.com) for more information.

**Wild Wanderers** is Suncadia owners' Monday-morning hiking group. This group (puppies welcome on some hikes) has enjoyed area hikes like the Coal Mines Trail, John Wayne Trail, Cooper Lake Trail, Swauk Forest Discovery Trail at Blewett Pass, and Knox Creek Trail. Winter snowshoeing is always fun! Contact [Kay Mabry](mailto:kay_home@msn.com) at [kay\\_home@msn.com](mailto:kay_home@msn.com) directly for more information.

**Suncadia Residential Owners Association (SROA) Advisory Committee** acts as advisors to the SROA Board of Directors to advocate for owners in all aspects of property ownership here. The committee gives a voice to owners and advises the board to enhance the community experience. The Advisory Committee has study groups including the Owners Cabin Study Group, which is working with the SROA Board and architect to design our new Owners Cabin. If you have an interest in serving on this committee, contact [Community Associations](mailto:communityassociations@suncadia.com) at [communityassociations@suncadia.com](mailto:communityassociations@suncadia.com).

**Quarterly board meetings** of the SROA and the Suncadia Community Council are open to all owners. Watch your **Weekly Update** and **Owners Website** for upcoming meetings and agendas. Be sure to sign in to the Owners Website, and click "My Profile" to edit your contact email address(s) and to receive multiple copies of the Weekly Bulletin and Tuesday Topic e-newsletters for your household. (Be sure to click "Save Changes" at the bottom of the "My Profile" page before exiting.)

Many Suncadia owners feel this way: "The west side is where I work. But Suncadia is where my friends are." We hope you'll want to join your Suncadia neighbors, meet new friends, and be part of forming our community. Do let us know what interests you have and once again, welcome to the neighborhood!
