

Welcome to the neighborhood!

Now that you are owners here in Suncadia, there are lots of ways to connect with other owners and become part of our new community. Whether you are a lot owner, second-home owner, weekender or seasonal resident, or if this is your new primary residence, there are many ways to meet up with other owners who share your interests. Please click on the links below.

**Suncadia** has several interest groups that all owners are welcome to participate:

**Suncadia Wine and Dinner Club** meets monthly (spring through fall). This group is lots of fun and a great/casual way to meet the neighborhood—it's usually "bring a bottle of wine to share and an appetizer or dessert to serve twelve" at alternating owner homes; beer drinkers and non-drinkers welcome. [Suzie Norris](#) at [suzielnorris@gmail.com](mailto:suzielnorris@gmail.com) manages the list so please reach out to her if you'd like to receive emails about upcoming gatherings.

**Suncadia SkyWatch** is being launched in Suncadia. Two high-powered telescopes have been purchased by the owner-funded Suncadia Fund for Community Enhancement. If you'd like to attend or even volunteer to lead stargazing events, contact Fred Correnti at [fredjc@frontier.com](mailto:fredjc@frontier.com).

**Reading Between the Pines** Book Clubs meet monthly at alternating owner homes (or Zoom during the Covid pandemic), for those who read (and even for those who haven't read the book). Contact [Debbie Dowd](#) at [debbie@nwdowds.com](mailto:debbie@nwdowds.com) directly to get on the list for upcoming monthly book club meetings and great reads. Additional info on the [Facebook](#) page.

**Wild Wanderers** is Suncadia owners' Monday-morning hiking group. This group (dogs on leashes welcome on some hikes) has enjoyed area hikes like the Coal Mines Trail, John Wayne Trail, Cooper Lake Trail, Swauk Forest Discovery Trail at Blewett Pass, and Knox Creek Trail. Winter snowshoeing is always fun! Contact [Jeff Ziegler](#) at [wildwanderers@hotmail.com](mailto:wildwanderers@hotmail.com) for the weekly email.

**Suncadia Residential Owners Association (SROA) Advisory Committee** acts as advisors to the SROA Board of Directors to advocate for owners in all aspects of property ownership here. The committee gives a voice to owners and advises the board to enhance the community experience. If you have an interest in

-serving on this committee, contact [Community Associations](mailto:communityassociations@suncadia.com) at [communityassociations@suncadia.com](mailto:communityassociations@suncadia.com).

**Suncadia Fund for Community Enhancement** is to provide a source of funding and organization for activities and investments that will create and enhance a dynamic and vital community experience for the Owners. The Fund will have the ability to participate in a broad range of activities intended to improve the social, cultural, economic and environmental conditions of Suncadia and its immediate environs, including the Town of Roslyn, the City of Cle Elum and the City of South Cle Elum. The nature of the Fund's investments will inevitably change as the community that it supports grows and evolves over time; it will, however, remain focused on enhancing the lives of the members of the community through its potentially far-reaching endeavors. For more information, visit the [website](#) or contact [Jim Becker](mailto:jimbecker29@gmail.com) at [jimbecker29@gmail.com](mailto:jimbecker29@gmail.com).

**Quarterly board meetings** of the SROA and the Suncadia Community Council are open to all owners. Watch your **Weekly Update** and [Owners Website](#) for upcoming meetings and agendas. Be sure to sign in to the Owners Website, and click "My Profile" to edit your contact email address(s) and to receive multiple copies of the Weekly Bulletin and Tuesday Topic e-newsletters for your household. (Be sure to click "Save Changes" at the bottom of the "My Profile" page before exiting.)

We hope you'll want to join your Suncadia neighbors, meet new friends, and be part of forming our community. Welcome to the neighborhood!
