

Waste Management
Customer Service Number: 1-800-592-9995

Carryout Service is designed to meet the needs of Resort residents who are not always home to take out and put away garbage totes in a timely manner. SROA rules prohibit residents from leaving garbage containers out overnight. Doing so attracts bears and can harm wildlife as well as present human safety and aesthetic concerns.

- When ordering garbage service, you will need to make a special request for *Carryout Service*. This notifies the driver to get your container from your garbage enclosure.
- Waste Management measures the distance from curbside to enclosure to determine the additional amount charged for the service.
- If the Waste Management service agent informs you they do not service our area ask them to use their **Service Tool** to search again. If they still can't locate our area request to speak to a **Supervisor**.
- Trash pick-up for Suncadia is on Friday and Tumble Creek on Thursday.
- If you are a full-time resident and do not elect to use Carryout service, please know that containers may not be left out overnight.
- If you need assistance please contact Suncadia Community Associations at communityassociations@suncadia.com

To report missed services please call 1-800-592-9995.
