

Suncadia Residential Owners Association Rule Changes

Effective July 1, 2021 following 30+ day owner comment period

Purpose and Intent: With the abundant growth of short-term vacation rentals in the Suncadia community, rental property owners need to have accountability for ensuring their rental guests are held to the same standards as are homeowners in the community through increased awareness and active enforcement of the existing Suncadia Residential Owner Association's Governing Rules & Regulations.

These rules are in place to protect the quality of life in Suncadia for homeowners and visitors alike. To ensure the quiet enjoyment of property we need to ensure rental guests are made aware of the Suncadia Governing Rules & Regulations and that they will be required to follow them. Outdoor gatherings at homes, laughter, and outdoor fun is encouraged until 10 pm but will be regulated after that time during quiet hours.

Suncadia Residential Owners Association

RESOLUTION #111e

July 1, 2021

Revisions Relating to Community Associations Violation Procedures and Fines, Short Term Rentals, Noise, Parking and Firepit Use

WHEREAS, the Governing Documents of Suncadia Residential Owners Association ("CCRs") assigns the Board all powers and duties necessary for the administration of the affairs of Suncadia Residential Owners Association ("Association"), and states that the Board may do all such acts and things, except those matters that the Board is prohibited from doing by law or the governing documents;

WHEREAS, Section 3.17 of the Bylaws provides that the Directors shall exercise their powers and duties in good faith and in the best interest of the Association and its members;

WHEREAS, the Board has determined that it is in the best interest of the Association and the Association's members, residents, and guests to create standards, policies and registration requirements for owners renting their properties "short-term" (less than 30 days) in order to hold rental owners accountable for ensuring their rental guests are held to the same standards as are homeowners in the community through increased awareness and active enforcement of the existing Suncadia Residential Owner Association's Governing Rules & Regulations.

THEREFORE, IT IS RESOLVED that the Board of Directors hereby adopts the following policies concerning "short-term" rentals (STR's) in Suncadia. The revisions will go into effect on July 1, 2021, following a 30-day period for owners to comment to the SRA and SCC Boards of Directors. This resolution supersedes Resolution 111c and 111d.

Procedures: Owners must first declare their intent to rent their properties "short-term" by completing the registration process. Failure to complete short-term rental intent and/or activity registration will result in an immediate fine. Owners are responsible for violations committed by tenants, short-term rental guests, or owner guests. Violation of the Association's governing documents (CC&R's DRC Guidelines, Park Use Policies, Rules & Regulations) of a nature that needs immediate action (including but not limited to noise disturbances, and rental or owner guest conduct issues – refer to Schedule of Violations & Fines) will result in a warning and/or immediate fine, if unabated; violations of a general nature will first result in a courtesy notice, and a warning notice and possible fine or other penalties as follows:

Courtesy Notice

The Board will first assume that the Owner is unaware of the violation and if such violation does not require immediate action, a verbal Courtesy Notice will be communicated. This includes an e-mail to the owner containing a copy of the current Fine Schedule. The email also notifies the Owner of the issue while allowing appropriate time to address the problem or to respond to the Community Associations Compliance Department concerning resolution of the violation. If the Owner does not have an e-mail address, the Courtesy Notice will be sent by regular mail and followed up with a phone call. The appropriate time is determined by the Board in its sole discretion, taking into account the nature of the violation. Copies of any correspondence will be kept and referenced in any follow up actions.

Warning Notice

If the issue is not remedied after the Courtesy Notice, a Warning Notice will be sent via e-mail and regular mail. The Owner is to respond to the Compliance Department with a resolution within seven (7) business days from the date of the First Warning Notice letter or the Owner may request a hearing before the Board; otherwise, a fine or other remedy as listed on the Fine Schedule will be imposed. If the violation is one that requires immediate action, the time period in which the Owner has to respond to the Association may be less than seven (7) business days.

Repeated Offenses

Repeat offenders will be fined as listed on the Fine Schedule for repeated and/or continued offenses. The Board may impose other penalties or if appropriate impose self-help at the expense of the Owner.

Impose Fine

Community Associations will issue the appropriate fine (see Exhibits A & C - Fine Schedules) if the Owner does not comply by the stated date. The fine will be billed on the Owners account or deducted from the DRC Damage and Compliance Deposit and the Owner will be notified of the fine. The Board has the right to impose additional fines for repeat violations.

Self Help

If the situation warrants immediate action or has not been remedied, the Board may authorize self-help at the expense of the Owner.

Letter of Compliance

Once the issue has been corrected a Letter of Compliance will be sent to the Owner verifying that the violation has been addressed to the satisfaction of the Association.

Any violation that needs immediate action will result in a warning and then a fine if not remedied.

Notwithstanding the process steps described above, any action that cannot be undone, such as the cutting of trees greater in diameter than 4 inches without permission, open burning fires, discharging of weapons or fireworks, unabated noise disturbances and owner, rental or owner guest conduct issues will result in an immediate fine per occurrence (i.e., the escalation of fines does not reset upon each or any subsequent rental or owner guest stays) and other self-help remedies.

Any criminal or County Noise Ordinance violations will be reported to the appropriate local, state, or federal agency. All documents and/or fines assessed related to violations will be recorded in the owner records maintained on behalf of the Association.

Opportunity to be heard: Owners shall have the right to send a letter, send a representative, or appear in person at a hearing to present evidence as to why they should not be fined. In all cases, the Board has the discretion to rescind or hold fines in abeyance. In the event the violation has been corrected prior to the hearing date, then, if appropriate, the hearing may be discontinued.

Within seven (7) days of the hearing, the Owner will be given written notice of the Board decision.

Fine Schedule: See Exhibits A and C.

Rules Summary: See Exhibit B – Suncadia Rules & Regulations for Owners, Residents, Tenants and Guests

IN WITNESS WHEREOF, the Directors of Suncadia Residential Owners Association have adopted this resolution on May 21, 2021 and further ratifies the final version on July 1, 2021.
