**LODGE RESIDENTIAL CONDOMINIUM ASSOCIATION
CALL FOR BOARD OF DIRECTORS CANDIDATES**

Have you ever considered serving on the Board of Directors for the Lodge Residential Condominium Association (LRCA)? Now is your chance!

The LRCA Board of Directors is seeking candidates for the upcoming election. The information outlined below and attached is for those owners interested in serving on the Board. Self-nominations are now open for two (2) owner positions on the LRCA Board of Directors. This will be for a two (2) year term of office which would begin on December 2, 2023.

All Directors will be required to sign the Director's Fiduciary Responsibility Resolution which outlines the code of conduct. Directors will typically have the option to attend meetings in person or virtually (by Microsoft Teams).

All candidates will be vetted by a nomination committee. In evaluating nominees, the Committee will be considering each nominee's history of involvement in the Suncadia community, attendance at Board and Annual meetings, participation in Suncadia community events, and service on Suncadia committees/task forces/subcommittees. Candidates may be interviewed to ascertain if the candidate understands the various levels of governance and the scope of authority of their position on the Board. Community Associations Management will be offering all candidates a course in "Suncadia 101" to help them better understand the complex governance within the community. This course is also available in a PowerPoint presentation.

If you are interested in serving on the LRCA Board, please fill out the attached candidate application and return it via email (CommunityAssociations@Suncadia.com) or US Mail (PO Box 944, Roslyn, WA 98941), no later than October 23, 2023.

If you have any questions concerning the open Board position(s), please contact Suncadia Management Company at phone: 509-649-6270 or email: communityassociations@suncadia.com.

On behalf of the Board of Directors,

Michael R Bennett, PCAM, AMS, CMCA
Director of Community Associations
