

**Volunteer Application form**  
**Owners Engagement Committee (OEC)**  
**Suncadia Residential Owners Association (SROA)**

Thank you for your interest in the Owner Engagement Committee. Property Owners are invited to volunteer themselves, or to suggest others, to serve on the Committee.

The OEC and Board of Directors (BOD) work in a collaborative manner to help Suncadia achieve its full potential as a residential and recreational community. The OEC has a broad mandate to represent owners' interests and provide input on issues to the SROA BOD.

The Committee will address issues of concern to owners, and on occasion may respond to requests for advice from the SROA BOD. Topics include, but are not limited to, community operations, owner surveys, social events, budget reviews, future development, fire prevention and risk management, communications, governance and other issues that may emerge relevant to owners' interests.

We are the voice of the owners and have benefited greatly from the time and talents of volunteers. Please consider the following volunteer opportunities. Volunteers can become familiar with the purpose, roles, and responsibilities of the OEC by reviewing the committee's charter (SROA Board of Directors Resolution No. 124) and reading the OEC Annual Report – 2023 on the [Suncadiacommunityorganizations.org](http://Suncadiacommunityorganizations.org) website.

**Candidates:** (Self- or other-nomination) Please complete this form to help us learn about your interests, and for us to assure broad representation of owners on the OEC.
